Shining as we learn in  
Faith, Family and Friendship!

## PE CURRICULUM OVERVIEW

### PE STATEMENT OF INTENT

At St William's we recognise the value that a high-quality PE curriculum and a healthy, active lifestyle can offer to our pupils. As a school, we aim to develop the knowledge, skills and capabilities necessary for mental, emotional, social and physical wellbeing in our children now and for their future. From starting points in EYFS, all children are encouraged to be outdoors and physically active.

We aim to ensure that all pupils develop the fundamental skills and competence to excel in a wide range of physical activities by providing a broad & balanced curriculum with opportunities for all. In addition to our own teaching team, we employ highly skilled and qualified sports coaches. We encourage all our pupils to be active and engaged in our PE lessons to enable them to get the most out of their lessons and to inspire them to reach their potential.

We aim to teach children how to cooperate and collaborate with others, as part of a team, understanding fairness and equity of play to embed life-long values. We want all our children to feel they belong as part of a team, believe in their healthy potential and become as physically, socially and emotionally well as they can be. We offer a wealth of enrichment and leadership opportunities for our pupils and being physically active is promoted daily through 'The Daily Mile'.

#### YEAR 1

AUTUMN TERM		SPRING TERM		SUMMER TERM
