Our Core Values:

**Love *Respect *Forgiveness *Compassion*

EARRINGS

Our uniform policy clearly states that earrings are not allowed; this has been the situation for at least 10 years. If your child has had their ears pierced at the start of the long summer holidays, there is no need for them to wear their earrings during the school day therefore there is no need for retainers or plasters. Thank you for your support with this. We can assure you this decision was made and continues to be upheld, in the interest of health and safety.

TEMPORARY CLASSROOMS

The temporary classrooms are due to arrive, the week commencing 2nd October. There will be some movement of classes but we will aim to minimise this as much as possible. As soon as the first class has moved, we will welcome our nursery children back to school. All the parents who enter through the key stage 1 gates will be pleased to hear that the gate is going to be extended. This should help the flow of people and prevent congestion.

We are going to have to postpone our Macmillan Coffee Morning but as soon as we have the space, we will send out a new date.

Friday 22nd September

Prayer for the week...

We are God's delight!
God loves us for who we are.

TRAINERS

There has been some requests for children to wear trainers for PE lessons.

PE pumps are statutory for all children. However, if you wish, your child can also bring:

- A pair of black trainers to be kept in school and worn for outdoor PE lessons only.

We highly recommend that you **do not** buy an expensive pair. The trainers should be clearly labelled with your child's name and must remain in their PE bag until the end of each term.

MEET THE TEACHER

Thank you to all the parents who were able to attend the 'Meet the Teacher' sessions this week. We hope you found them informative.

Kitchen General Assistant

A vacancy has arisen in our school kitchen. This position is through Bolton Council and NOT the school. If you are interested and would like more details, please contact Justine Brooks on 07789 031 784.

School Meals Spring/Summer Standard Menu May – October 2023

School meals in Bolton

Dear Parent/Guardian

Welcome to the new menu being served at your child's school. Choosing school meals for your child will teach them important social skills as well as providing all the nutrients young people need to help with their learning and development.

We only serve meals that children love to eat and we cater for medical & cultural diets contact the school meals number for more information. Allergen information is available on request also on the website.

We know where our food comes from

We aim to include as much fresh and local produce as possible in our recipes. We offer complete traceability on all our products from farm to fork.

Seafood with this mark comes from an MSC certified sustainable fishery. www.msc.org.

Many of our products are responsibly sourced too, we have accreditations to prove it. You can rely on us when it comes to quality. Supporting local businesses and reducing food miles and food waste are also top of our agenda.

Eat a Rainbow

Our salad selections/choices filled with brightly coloured veggies are an excellent way of encouraging children to work towards their 5 a day.

Children can help themselves in addition to any hot vegetables they have had from the counter.

Save over £300 per child per year with free school meals

School meals remain free for ALL children in reception, years 1 and 2 regardless of circumstances. You do not need to apply for this benefit, simply let your school know you wish to take your entitlement.

Your older children could be entitled too if you are in receipt of certain benefits or have a household income below the threshold. Check out the criteria and how to apply at www.bolton.gov.uk

School meals provide value for money and reduce shopping trips

School Meals offer a freshly prepared 2 course meal and a drink for less than the average cost of a meal deal.

Making a packed lunch can result in additional trips to the supermarket, meaning extra spend each week.

Let us take care of lunchtimes.

Did you know eating a hot school lunch can provide up to 3 portions of fruit and veg a day!

Serving your child safely each day

We have strict hygiene measures in place and our policies and procedures result in safe working practices
