SNOW AND ICE

The weather has caused us a real headache this week. The snow looks lovely and we know the children love it. However, as soon as it freezes it causes us nothing but issues.

A huge thanks to our caretaker Mr Rehmat, who has worked tirelessly this week to keep our school site safe - he has gone way above and beyond to make sure there are safe routes around school for the children and staff. This is even harder now that some of our children are in classrooms outside of the main building.

We know that the roads and pavements around school are very bad at the moment, Unfortunately, there is nothing we can do about public roads. Let's hope this is the last we will see of the snow and ice in 2024.

SCOPAY

Most of our families are now set up with accounts. Please try to stay ahead with your payments. Both snack and dinner money should be paid at the start of the week.

BUILDINGS UPDATE

We are expecting our new temporary hall on Tuesday 30th January. This will be the fifth attempt at delivery and installation so let's pray that it is successful this time.

Friday 19th January

Prayer for the week...
We are special people called to do special things.
