Our Ethos - Welcoming

Create a welcoming, exciting, happy and secure environment where the school reflects a living Catholic community in which staff, families and pupils feel a strong sense of belonging.

INTERIM HEADTEACHER

The Governors have appointed Mrs Helen McGrath to be the interim head teacher for the summer term. Mrs McGrath is a very experienced leader. She has led Catholic schools across Salford Diocese for over 20 years and has recently been working as an education consultant in Manchester. We are confident that she has the skills and experience to lead our school in the interim. She will be spending 3 days in school before the Easter holidays to get to know our school community and we are very confident that she will be made very welcome by everyone.

The Governors will be meeting next week to start the recruitment process for a permanent head teacher.

PARENTS' EVENING

There will be an opportunity for you to speak to your child's class teacher on Thursday 21st March. We will send out more details after the half term break.

Friday 9th February

Prayer for the week...

We must trust
God to help us
and we should
look for God in
the people
around us.

PARKING

As we are now using several different entrances and exits to the school building, we still have issues with parking but in different places. The area on Settle Street, near the nursery gate, is particularly bad. Please park considerately and be mindful of mounting the kerb as this is dangerous and can result in pedestrians being put in danger. Please consider setting off just a few moments earlier and taking the time to park in a safe place.

EXTRA-CURRICULAR CLUBS

Clubs have now started. Many thanks to our school staff for giving up their time to organise and run this wide range of enrichment activities. All clubs end at 4pm - please make sure your child is collected promptly.

PACKED LUNCHES

Please can parents ensure that packed lunches for children in key stage 2 are balanced and healthy and avoid too many sugary snacks. Guidance for parents is available on our school website.
