RAAC UPDATE

Thank you for all of your support and patience over the last few months. The good news is that the work to remove the concrete will start during the half term holiday in May. Following this there will be a programme of work over the next few months to ensure that all RAAC is removed from the school.

The work will take many months but we will keep you updated.

Friday 19th April

Prayer for the week...

God is always caring for us,
Even when we don't realise it!

HOLIDAYS IN TERM TIME

Please note that school cannot give permission for holidays taken during term time.

These rules come from the Government not us!

Although we recognise the financial implications this may have, we hope that you see the importance of your child being in school every day.

We have 13 weeks off school for holidays, each year.

LATENESS

Just a reminder that your child is classed as 'late' if they register after 8.55am.

We recognise that your child is more than a test result and we value them for all of their wonderful strengths and talents. It is essential that your child is in school to complete these tests from MONDAY 13th MAY. If, for any reason, your child is absent please contact Mrs McGrath directly.
