LOCAL ELECTIONS

Thursday 2nd May

School will be used as a polling station next Thursday which may lead to additional traffic around school.

RAAC UPDATE

We are hoping that after half term (June) work will begin to remove the RAAC from school. Obviously the safety of you and your child is paramount. We have worked long and hard with the company to ensure we have put a solid safety plan in place—but we will need your help!

The initial work will start in the hall. This means we cannot access the hall for any reason—even to walk through! So your child may need to enter school using an alternative access.

Children who arrive late will cause staff additional problems as we will not be able to walk them through the hall. Please do everything in your control to ensure your child arrives at school on time. Your cooperation will be much appreciated. Obviously if the situation is out of your control we will get your child safely into class.

Y2 ASSEMBLY

Parents and the rest of the school joined together in our new (but temporary) school hall to learn about how each person should be treated with DIGNITY.

They did an amazing job and it was lovely to be able to all be back together in the one space!

RECEPTION CLASS

Reception sketched the fruit they bought from the shop. Then they ate it! Yummy!
