PARKING

Please can we ask you to be sensible and careful when parking outside of school. I know that spaces are limited at the moment, but our children's safety has to be our top priority. Please park rather than stopping in the road; please can we also ask that you take particular care when parking on Settle Street, as it is very busy! We thank you for your support with this.

If your children is ill, please call the office on 01204 333522 before 9.30am.

An extra well done to our girls' team, who won the tournament and have now been invited to represent Bolton in a regional competition in November! We are so proud of you!
