Weekly Newsletter

*Have a lovely, restful half term with your families.
We look forward to seeing you on 4th November.*

Y5's Assembly

A huge thank you to Y5, who led a brilliant assembly this week to our whole community based on the Catholic Social Teaching value 'Family and Community'. It was lovely to see so many parents and carers in school.

Parent Link Group

If anyone is interested in joining the Parent Link Group, please contact the office. The aim of the group is to further enhance our working relationship between parents and school. It's your chance to have a say in how to make our lovely school even better!

Y3's School Trip

This week, Y3 have been to Bring Yer Wellies and engaged in an archeological Stone Age dig. This really developed their historical knowledge and skills and they had a fantastic day. Thanks to all our parent/carer volunteers who supported with the trip.

First Holy Communion

Letters are being sent out today regarding First Holy Communion. If you don't receive one but want your child to make their communion, please speak to Miss Adams.

Talk Money Week

When we come back to school on 4th November, we are celebrating 'Talk Money Week'. This is an annual campaign that aims to builds the children's understanding of personal finances, money management and financial well-being. If you can encourage your children to think over half term about the money they have- such as pocket money or birthday money- and how they can spend or save it, and how to budget, we would really appreciate this. Thank you! There are also come great activities for children to access at home over the holidays here:

IQM Review Day

As many of you know, St William's is an Inclusion Centre of Excellence. We are very proud of this and believe inclusion underpins everything we do here. We had a review last week, which many of our parents joined in with (thank you!), and the feedback from the assessor was overwhelmingly positive. Our children really shone, and the way they could speak about our school was very impressive! I will send the report out via text when we have it. Thank you for your continued support!

Multicultural Week

We have had a brilliant multicultural week, learning all about different faiths, cultures and traditions. Thank you to all our parents and carers who have come to school this week to share your stories with our children. Your experiences have enriched our children's learning and we really appreciate it!

Caritas 'Love in Action' Award Winner

A huge congratulations to our Caritas 'Love in Action' winner. This is a very special award as our winner was voted for by our children!

Mrs Bolton said our winner, "Shows love to others. She respects everyone and always does nice things for those around her. She treats people with kindness and will always help others when they are upset. You will often find her asking others how they are. She is a shining example to all of us."

We are very proud of you- well done!
