Wednesday 23rd October

Dear Parents,

As part of our work in school this year, we are striving to further build and develop our partnership with our parents.

We know that increasing your involvement in school life leads to better outcomes for our children- both educationally as well as socially and emotionally. Our relationships with parents is something we are very proud of at St William's, but we are always looking to develop ourselves and our community further.

As such, I am setting up a 'Parent Link Group'. The aim of the group is twofold:

- 1) To support and promote the school with parents and in the community and;
- 2) To provide feedback to school on matters of concern for the parents.

The group will meet with myself or a member of SLT half termly; school will then aim to further develop and enhance our provision based on your feedback.

If you would be interested in joining our Parent Link Group, please speak to me.

Yours sincerely,

R Adams
