

GEOGRAPHY CURRICULUM OVERVIEW

GEOGRAPHY STATEMENT OF INTENT

At St William's we want our pupils to be fascinated about God's world and the people in it. We aim to give them a sense of awe and wonder about the beauty and diversity of our planet. Our pupils are encouraged to investigate people, places and natural and human environments and the physical and human processes of planet earth. They consider the consequences of human actions in threatening our planet and the impact of natural disasters. They learn to navigate the world using traditional mapping skills coupled with modern navigational technologies. Fieldwork and experiential learning are promoted in every phase of the school as our pupils investigate the world around them.

THE GOLDEN THREADS OF EYFS

AUTUMN TERM	SPRING TERM	SUMMER TERM
I wonder why the leaves are not green?	We're going on a bear hunt - maps	Places from around the world

YEAR 1
