School Uniform

At St. William's, we recognise that the school uniform is a vital component of our educational ethos. Wearing a uniform not only promotes a sense of belonging and community among students, but it also instils a sense of discipline and respect for the school environment. By adhering to a specific dress code, our students present themselves in a manner that reflects pride in their school, allowing them to "look smart" at all times.

The consistency of uniform reduces distractions associated with fashion competition, enabling students to focus more on their learning and personal development. To support our families in understanding the expectations surrounding school uniform, St William's have a Uniform Guidelines booklet. As a reminder, the leaflet has been resent out to all families this week and outlines the specifics, ensuring that all students and parents have the resources necessary to comply with our standards. We believe that our commitment to uniformity enhances the overall learning experience at St. William's and thank you for your support with this!

We are working towards the **Leading Parent Partnership Award (LPPA)**! As part of this process, we've been reviewing our systems, gathering feedback from parents and visitors, and working closely with children and staff to strengthen our home-school partnerships.

A special thank you to those who have completed feedback questionnaires at the school office — your input is invaluable!

Questionnaires are still available if you're visiting and would like to share your thoughts. Please collect these from the school office.
