

Shining as we learn in
Faith, Family and Friendship!

Weekly Newsletter

Together, as God's family we are learning through love, forgiveness, respect and compassion to use our unique gifts, challenging and transforming our world.

Parking

Please can we ask for your co-operation in keeping our children safe when coming into school in the morning! We have received complaints, regarding some cars stopping in the road to allow children to exit their vehicle. We ask that you are considerate to other cars on the road and park appropriately when bringing your child to school. Thank you!

After School Clubs

A polite reminder that our After School clubs close at 4pm. Please ensure that your child is collected at 4pm and no later, as we rely on our staff volunteering their time and effort to run these clubs. All children who have been allocated a place at a club, will have received confirmation through a text message. Thank you for your support with this.

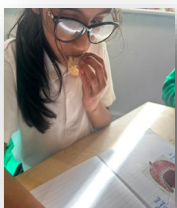

Autumn/Winter

As the days get colder and wetter please remember your child needs a coat for playing outside at playtime and lunchtime.

Although boots are good for walking to school in the rain they are not part of our indoor uniform - regular shoes for inside please!

We are Scientists!

We have been learning about how our bodies work—from labelling our body parts and understanding how best to take care of our teeth to learning about the intricacies of the function of the heart!
