Faith, Family and Friendship!

Weekly Newsletter

Together, as God's family we are learning through love, forgiveness, respect and compassion to use our unique gifts, challenging and transforming our world.

Parent Workshop Reminder

Over the next few weeks, we will be holding some workshops in school for our parents. These sessions are designed to provide helpful information, practical strategies. It is a great opportunity to support children's learning, wellbeing, and development and ask questions too! We encourage all parents and carers to join us and take part in these valuable sessions, if possible. We look forward to working together to support our children!

Clubs

Extra-curricular clubs start next week and run from 3.20 until 4pm. You should have received a text detailing which clubs your child has been allocated. Clubs are a great way of enriching the school day and we warmly encourage all children to take part! If your child is not in a club and wants to be in one, please come and speak to the school office.

Headlice

We have had a few cases of head lice reported in school this week. Head lice are common in young children and are not related to cleanliness. We kindly ask parents and carers to check their child's hair regularly and treat promptly if lice are found, as early detection and treatment help prevent the spread to other children. Thank you for your cooperation in helping us keep our school community healthy.
