

Home School Agreement

2025-2026

We believe that children achieve their best when school and parents work together.

The school will do its best to:

1. Make sure your child works hard and is encouraged to do his/her best.
2. Care for your child's safety and happiness.
3. Provide a broad, balanced and creative curriculum.
4. Make sure your child achieves their full potential by offering opportunities and experiences to enable gifts and talents to grow.
5. Be open and always welcoming and offer you opportunities to become involved in your child's learning.
6. Keep you informed about general school matters and about your child's progress in particular.

To help me do well at school, I will do my best to:

1. Always try my best in lessons.
2. Keep to our class expectations.
3. Enjoy school and help other children do the same.
